

Sale Name: High End Audio/Video, Cameras, Furniture, Safes, Tools, W&D, Much More
LOT 260Off - Four(4) portable DVD drives SEE DESCRIPTION FOR DETAILS...

Description

All fired up and recognized by my laptop but I did not have a current media player and only one DVD(Spencer's Mountain) to test them. They all recognized the DVD, except the Blu-ray player, but wanted me to purchase the latest version of the media player.

Quantity: 1
